LUMINOUS BULB POWDER BLUSH

NET WEIGHT: 5.5g

STOCK COLOR						
						
SOFT APRICOT	BRONZE GLOW	MOON DUST	CHAMPAGNE	WARM SAND	SAKURA	SUNSET

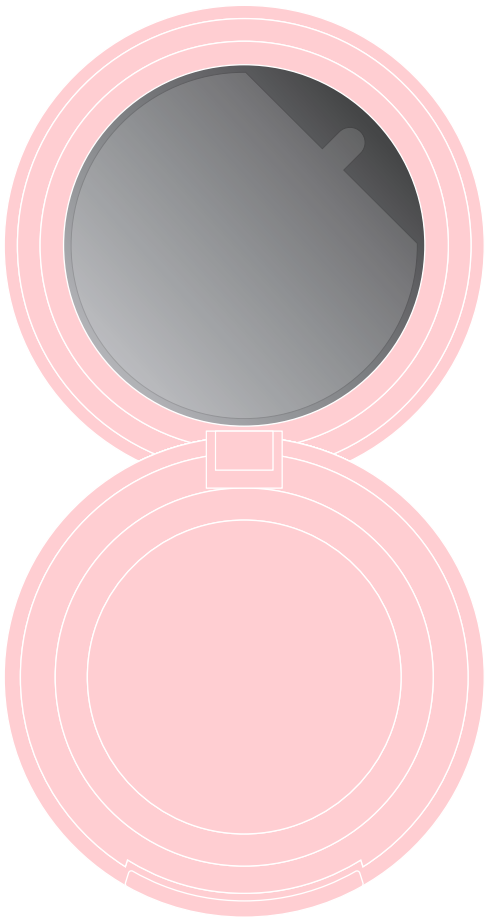

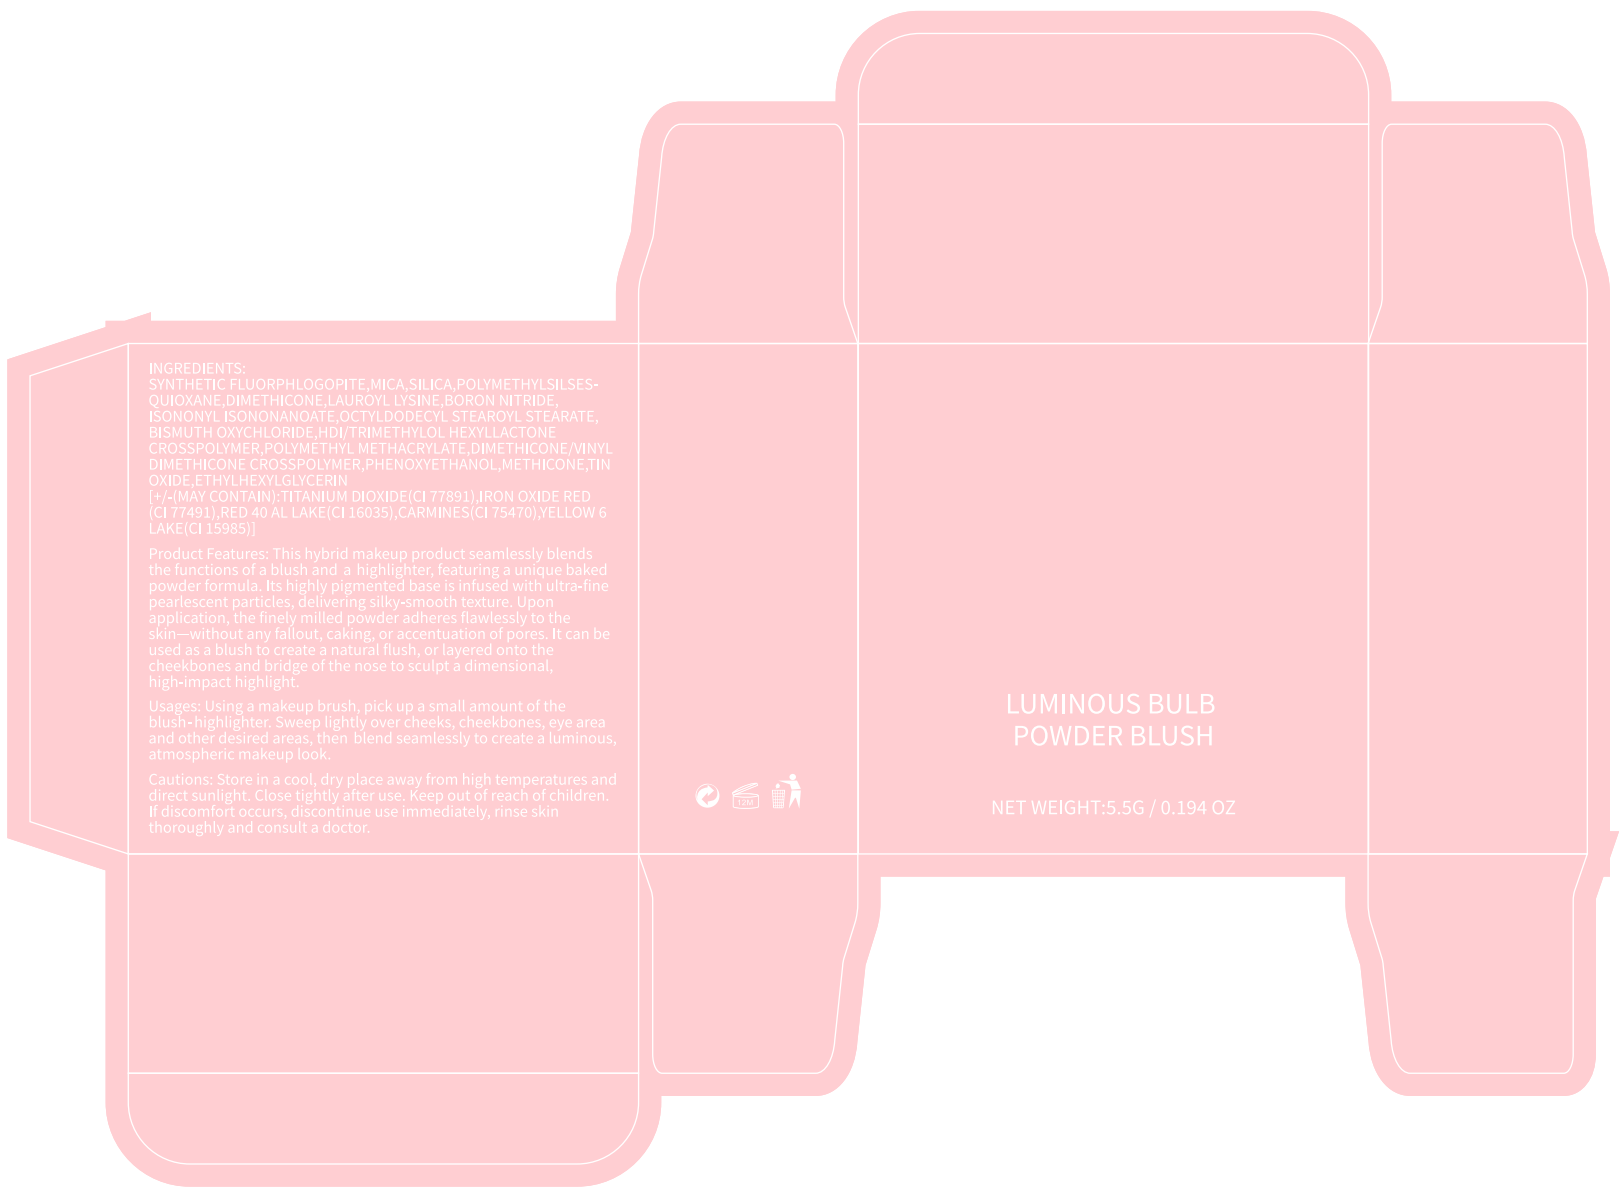

This two - in - one blush and highlighter combines a highly pigmented base with ultra - fine pearl glitter. It can be used as a natural blush and also layered on the cheekbones and nose bridge to create a three - dimensional highlighting effect, offering multi - use in a single palette.

FEATURES

- *Multi - area illumination: It can brighten both the face and body.
- *Airy powder texture: The baked powder texture is as light and silky as air. It does not fly away, clump, or accentuate pores when applied to the face, avoiding the heavy feeling of traditional powder blush.
- *Long - lasting waterproof formula: It resists water and sweat, and it can keep the makeup throughout the day without smudging or patchy.
- *Friendly to all skin tones: It is suitable for a wide range of skin tones from fair to deep, and is especially ideal for creating a youthful and energetic look or a healthy and vibrant makeup style.

ZERO PORES SEPARATION CREAM

NET WEIGHT: 18ml/20g

TEXTURE

CLEAR GEL

USAGE

After basic skin care, before makeup, apply a thin layer of appropriate amount evenly on the skin. Do not apply too much. It can also be used alone in places with large pores, easy to oil and obvious fine lines. After that, carry out the priming steps

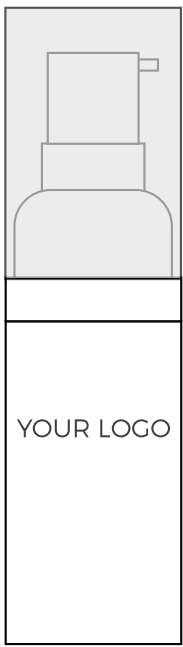

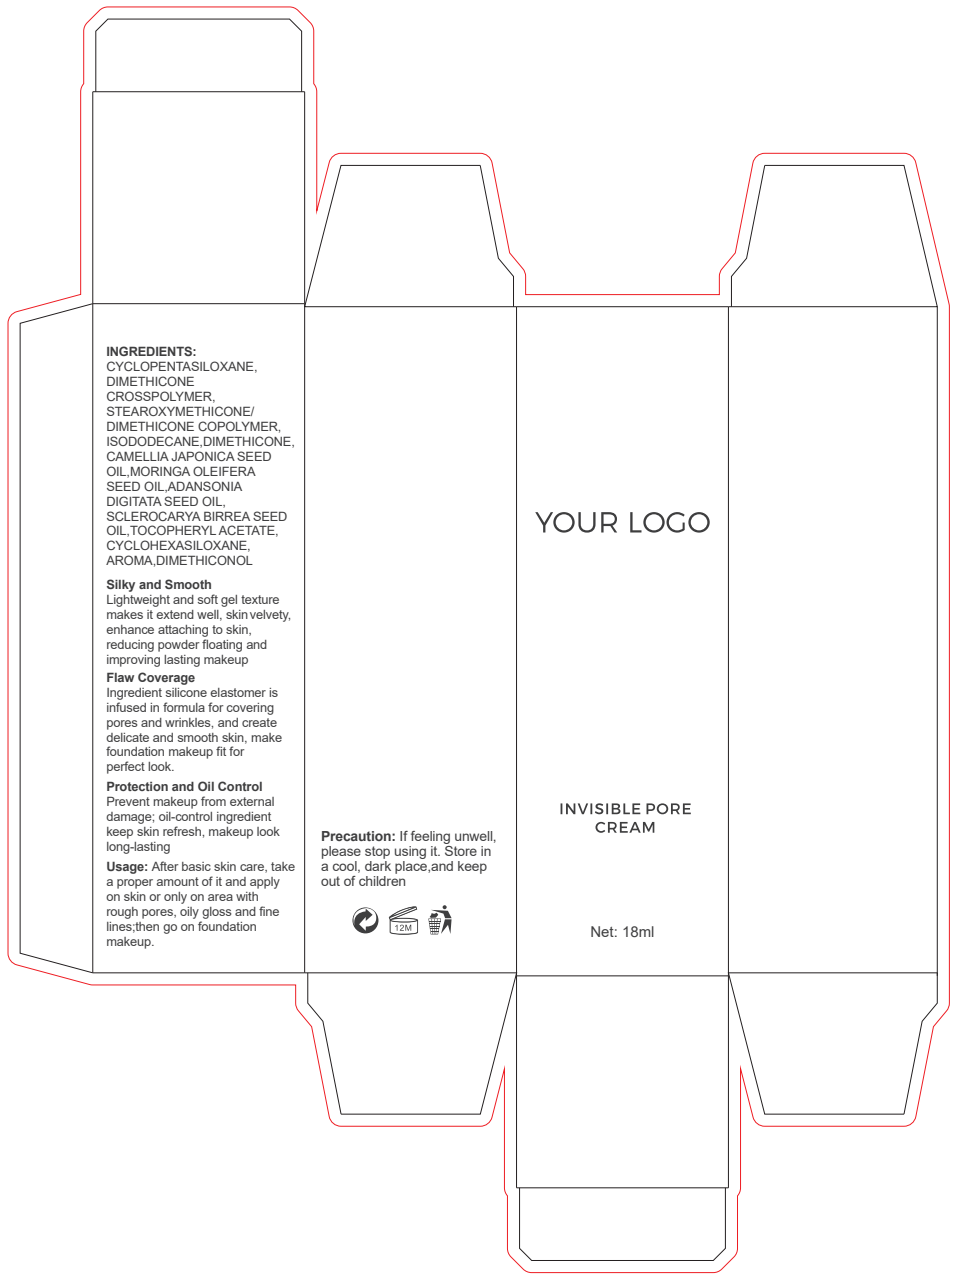

FEATURES

- **Invisible pore defect:** Fine silicone elastomer, concealing pores and dry lines, making the bottom makeup more comfortable and not easy to jam
- **Oil control:** Form a mesh breathable isolation film, refresh the oil control ingredients, keep the skin fresh and non greasy, and prolong the makeup time
- **Soften skin:** Soft gel texture, good extensibility and skin affinity, and improve the base makeup fit

MORE TIPS

We recommend that you use this hydrating primer after your skin care routine and before you place any makeup on your face; you only need a thin layer of our primer to create a smooth surface and hold your makeup.
